It had to be you, it had to be you
 I wandered around and finally found, that somebody who
 Could make me be true
 Could make me feel blue
 And even be glad just to be sad, thinking of you

Some others I've seen
 Might never be mean
 Might never be cross, or try to be boss
 But they wouldn't do

For nobody else gave me a thrill
 With all your faults, I love you still
 It had to be you, wonderful you
 It had to be you

Some others I've seen
 Might never be mean
 Might never be cross, or try to be boss
 But they wouldn't do
